

WE KEEP YOU RUNNING!

To support our ambitious team, we are looking for a:

FINANCIAL ANALYST

Full-time / 40 hours per week

(m/f/d)

Do you already have experience in Finance? And you are enthusiastic about numbers and procedures?

THESE TASKS ARE WAITING FOR YOU:

- Preparation of monthly financial reports, including annual budgets, quarterly forecasts and cost analysis
- Identifying trends, risks and opportunities through analyzing business data and financial key performance figures
- Performing analysis to evaluate and optimize the financial performance of the business
- Cross-departmental collaboration with internal stakeholders to continuously improve data quality as well as internal procedures

We need people like you, who identify with our goals and drive our business forward.

THIS IS THE PROFILE YOU BRING WITH:

- A bachelor's degree in finance, Business Administration or related field or equivalent business education
- 2+ years of experience as a financial analyst or similar role
- Experience in financial analysis, budgeting, forecasting and business analysis
- Proficiency with financial software and data analysis tools (e.g., Excel, ERP system skills, Power BI, Tableau, or other data mining tools)
- Strong analytical skills and ability to structure and interpret complex data
- Strong written and verbal communication skills in English and German
- Ability to collaborate with various departments and work effectively as part of a team

Being a valued team member of a very determined company also brings many advantages:

THESE ARE YOUR ADVANTAGES WITH US:

- You will receive a structured onboarding and a professional training period
- Our corporate culture is characterized by openness and appreciation, with flat hierarchies and fast decision-making procedures
- We offer internal and external training programs for your personal development
- Always an important factor: flexible working hours, home office, 30-day vacation entitlement
- Attractive staff discounts on our products, lunch allowances, as well as free drinks
- We have very good traffic connections and free employee parking spaces

DO YOU HAVE A PASSION FOR FINANCE? THEN WE'D LIKE TO MEET YOU!

We are looking forward to receiving your complete online application, stating your earliest starting date as well as your availability including your salary expectations to: Bewerbung@ratioparts.de

ABOUT US:

ratioparts Ersatzteile-Vertriebs GmbH was founded in 1986 and has since developed into one of the leading companies in the small engine equipment sector in Europe.

By joining Arrowhead Engineered Products Inc. in 2018, a perfect symbiosis has been established, which has raised the offer for customers and partners to an even higher level.

Arrowhead Engineered Products Inc. with its headquarters in Blaine (USA) is one of the world's leading suppliers in the aftermarket spare parts sector, trusted by over 50,000 dealers, repair shops and users worldwide.

The product range covers everything from automotive spare parts to motorcycles, agricultural equipment, off-road and watercraft, as well as construction and garden equipment.

True to the motto...we keep you running!
